

Canad Inn's Winter Wonderland Launches on December 3

For immediate release: *Winnipeg, November 16, 2021* – The Red River Exhibition Association is excited to announce that Canad Inn's Winter Wonderland will be returning and will run from December 3, 2021 and conclude on January 8, 2022. The lights will be on and shining brightly every night* from 6 to 10 p.m. (*closed on Christmas Day).

"We're so excited to be back this holiday season," said Garth Rogerson, CEO, Red River Exhibition Association. "The Canad Inns Winter Wonderland light show is always such a great event for people wanting to get out and enjoy the holiday season. They can either stay in the warmth of their own vehicle or have some fun on our natural skating rink!"

Just like last year's event, guests will be able to remain in their vehicles for the whole drive-thru event. However, guests will also have the option to get out of their vehicles to enjoy some skating, photo ops, and some delicious treats.

Make sure you pick up your vehicle ticket in advance for just \$15 (plus GST) per family vehicle! As every year, a maximum of seven passengers will be allowed per vehicle. Tickets are on sale in person at any Canad Inns in Winnipeg, and at our partner retailers: Circle K, Giant Tiger and Valu-Lots. Tickets are also available online at redriverex.com. Tickets will also be available at the gate and will cost \$20 per vehicle.

The price is not for each individual person, but for an entire vehicle of up to seven passengers!

We're so pleased to announce that Canad Inns Winter Wonderland has been able to donate **over \$340,000** to Manitoba charities on behalf of every person who has visited our holiday light show over the past 22 years.

A portion of this year's proceeds from the Canad Inn's Winter Wonderland will be donated to KidSport Manitoba and the Red River Exhibition Foundation.

Canad Inns Winter Wonderland will run nightly December 3, 2021 – January 8, 2022. We will be closed on Christmas Day. For more information or to purchase tickets, please visit redriverex.com.
