ABOUT US

The Red River Exhibition Association is a non-profit, self-sustaining, volunteer driven organization with roots as an agricultural society. The newest addition to the Association, John Blumberg Park, has evolved into a multifaceted recreational complex.

Completed in 1989, the softball complex initially consisted of four baseball diamonds, with additional diamonds added in preparation for the 1999 Pan American Games. After hosting women's softball competitions at the 2017 Canada Summer Games, the complex has become a hub for athletic excellence and community engagement.
