## Gate & Parking Pass Order Form

All exhibitors of The EX 2026 will receive four (4) access passes per application. Each pass represents your parking pass to the west lot and gate access to the park through the west gates. All staff of exhibitors will require a parking pass as well as a gate pass to gain admittance into Exhibition Park.

If additional passes are required throughout the event, please contact Maegan or Alana.

### Event Entrance

- All exhibitors and all staff must have a pass to present at the entrance/ security gates.
  - Parking passes and 10-day passes should NOT be given to ticket takers/ security at the entrance gates. They will be needed for re-entry throughout the entire 10 days.
  - One-day passes will be taken by ticket takers/security upon entry. If staff leave the Park, they will require a stamp on their hand at the exit if they plan to re-enter that same day.
  - It is your responsibility to ensure your staff have the passes they require. No pass - no admittance.
- Anyone entering the Park will need to do so through the main entrance gate on the West side of Exhibition Park. There will be no entrance through the exits or any other area. As we all know, line ups can be long and all staff should be made well aware to give themselves ample time when arriving for their shift.
- All exhibitors and staff may be subject to bag checks. This is a mandatory practice, for everyone's safety, and Red River Exhibition Association will not make exceptions.
